ABOUT CPDHE

Centre for Professional Development in Higher Education (UGC-HRDC) is committed to provide opportunities for professional and career development to teachers across the various universities of India.

CPDHE was established on 21st November 1987. It has an illustrious record of 33 years of service to the teaching profession. Keeping in view the role of higher education in national development, CPDHE helps in building competence in the areas of research methodologies and pedagogy, expansion of technologies in the field of ICT, Science and Technology, Environment and Education.

For making higher education centres hub of academic activity, CPDHE has envisaged new multidimensional and integrative role, through re-engineering Professional Development Programmes for teachers. CPDHE organizes workshops for faculties involved in university and college administration and Orientation/Refresher courses for teachers with the objective to create awareness of linkages among Society, Culture, Linguistics, Environmental Science, Education and Development, Management, IT/Computer Awareness, Gender Issues and many such areas.

ABOUT BCAS

Bhaskaracharya College of Applied Sciences (BCAS), a constituent college of University of Delhi & 100% funded by Government of National Territory of Delhi, is named after a great mathematician of the 12th Century.

The college was established in October, 1995. The College is accredited with grade A by the National Assessment and Accreditation Council (NAAC). Recently, The college has secured 32nd NIRF rank among college category. Department of Biotechnology, Govt. of India. has also accorded Star College Status to the college.

The college offers 11 honours undergraduate courses in Science and Applied Sciences stream. The college is also a learning centre for IGNOU and runs CPLT, B.Sc., BSCG, PGDAC, PGCCC, MSCENV and PGDESD programs. It also caters to students enrolled in School of Open Learning, University of Delhi. The college also runs short term courses.

The dynamic and dedicated faculty of the College is not only involved in teaching but also contribute in research immensely. The college has also collaborated with renowned institutions such as Indian Institute of Technology Delhi, National Institute of Immunology, Delhi etc. to further expand the domain of research.

and Principal (BCAS)

PROF. GEETA SINGH

Director, CPDHE, University of Delhi.

DR. VANDANA BATRA

Convener

ABOUT THE COURSE

Government of India announced the National Education Policy (NEP) on July 29, 2020 with a gap of almost 34 long years after due deliberations and taking wider discussions or suggestions from the stakeholders. The document has a vision to have high quality education system in India by 2040. The proposed course is a small effort to understand the challenges ahead in implementing the policy. The theme of the course - Making of Nav Bharat through NEP 2020 rightly puts focus on how the implementation of this policy is going to change and make Nav Bharat which will have equitable and vibrant knowledge society and India regains its status of a global knowledge superpower in 21st century.

The course will involve lectures by heads of the prominent academic institutions having the greater responsibility to implement NEP. Since the implementation of the policy has already been started in phases, it is utmost necessary that each one of us know about the various dimensions of this policy, its aspirations, expectations and challenges. This will help us to develop and implement it successfully in its true sense, spirit and fulfil its vision:

The vision of the Policy is to instil among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

In order to make the participants well versed with the NEP 2020 policy, the course will be covering many topics related to following important themes:

- * Towards a More Holistic and Multidisciplinary Education
- * Optimal Learning Environments and Support for Students
- * Equity and Inclusion in Higher Education
- * Reimagining Vocational Education
- * National Research Framework
- * Transforming the Regulatory System of Higher Education
- * Effective Governance and Leadership for Higher Education Institutions
- * Promotion of Indian Languages, Arts, and Culture
- * Online and Digital Education: Ensuring Equitable Use of Technology
