Other Activities

As a Faculty Member I have tried to communicate in an effective way with my students ,

keeping in mind of their diverse social and academic background. Since my students come from diverse background, I put special endeavor to boost their confidence . I have always seen this as a challenge as well as an opportunity.

I have made significant contribution as a member of various committees of the Staff Council in Zakir Hussain PG Evening College e.g, Student Union Advisory Committee , Student Welfare Fund Committee , Prospectus Committee , Student's Grievance Committee and also as Deputy Dean Student's Welfare , North & South Campus , University of Delhi . I have edited the college magazine 'Rajnigandha' of Zakir Husain Post-Graduate Evening College ,University of Delhi, in which I encouraged the creative potential of young students. I was also closely associated with the college literary society 'Vikalp'

As Principal of Satyawati College , University Of Delhi , I have tried my best to provide a fulfilling learning experience and engage students with newer pedagogical strategies in order to equip them with infallible contemporary knowledge and unfathomable self confidence. Amidst diverse career options and inculcation of newer courses, I am also trying to promote the amalgamation of holistic learning with a vast array of professional and co-curricular prospects in my different capacity in University of Delhi. My book titled 'Education Scenario' is an effort in this direction.
