ADVERTISEMENT FOR THE POST OF JUNIOR RESEARCH FELLOW (JRF)

Applications are invited for the post of one Junior Research Fellow (JRF) in the Indo-Norway Joint Research Project entitled "NANODOS - Synthesis of nano-phosphors and spin-trapping nano-crystals as energy-independent dosimeters for radiotherapy beams" sponsored by the Department of Science and Technology (DST), Government of India.

Tenure of the project: 3 years

Qualifications for JRF: M.Sc. in Physics (or any other relevant field) with a minimum of 55% marks. UGC/CSIR NET qualified candidates will be given preference.

Fellowship: As per present DST norms.

The selected candidate will have to work full time at Sri Venkateswara College, University of Delhi, New Delhi. The candidate will be encouraged to pursue PhD.

Interested candidates may submit their application along with a copy of their recent bio-data and self attested copies of their academic qualifications and achievements by Email to iuacprojectsvcd@vcdu@gmail.com or by post to Dr. Anant Pandey, Department of Physics, Sri Venkateswara College, University of Delhi, Dhaula Kuan, New Delhi-110021 latest by Friday, 7th May, 2021.

Only short listed candidates will be called for interview at Sri Venkateswara College, New Delhi. No TA/DA will be paid to the candidates for attending the interview. Candidates will be required to produce all relevant certificates/testimonials in original at the time of the interview.

Dr. Anant Pandey
